To maintain the momentum of quality consciousness is crucial in colleges. Every college should have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse need of the stakeholders. Thus, Government Engineering College, Modasa is forming the "Internal Quality Assurance Cell". The IQAC is meant for planning, guiding and monitoring Quality Assurance and Quality enhancement activities of the GEC, Modasa. The IQAC may channelize and systematize the efforts and measures of GEC, Modasa towards academic excellence. IQAC Cell having below members is formed for above mentioned task.
