Event Report

The Department of Computer Engineering & Information Technology, Government Engineering College, Modasa has successfully completed an online technical event **Technothon-2021** on **30th April, 2021.** It was aimed to showcase the technical skills of all UG/PG students of Computer Engineering/Information Technology.
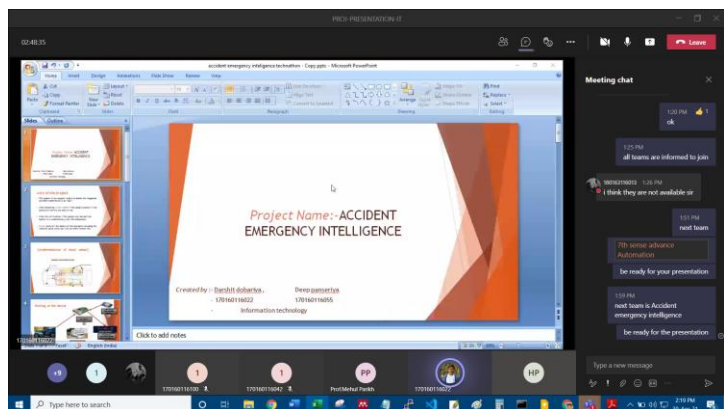

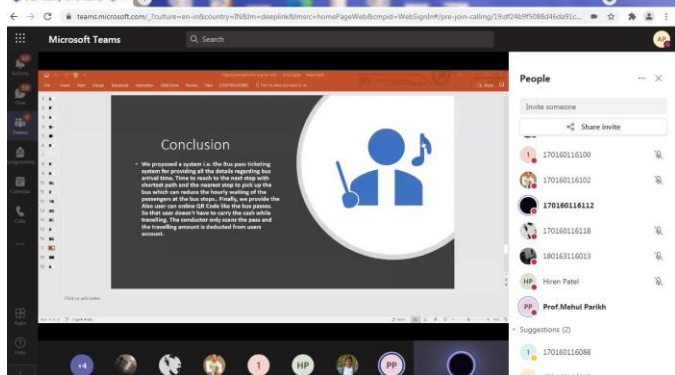

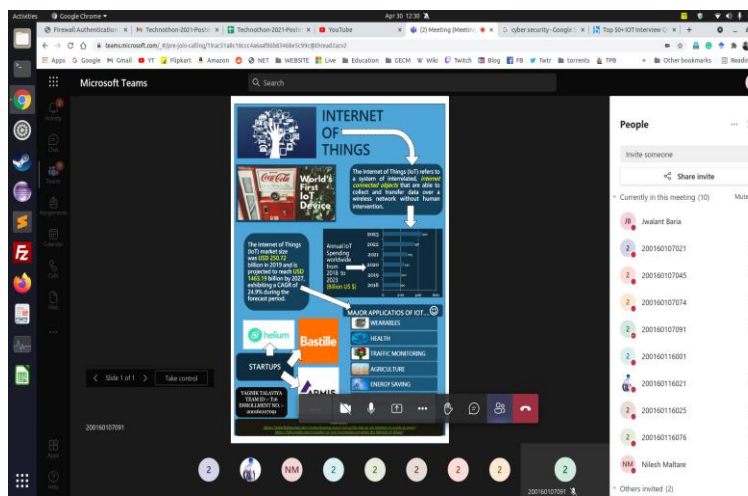

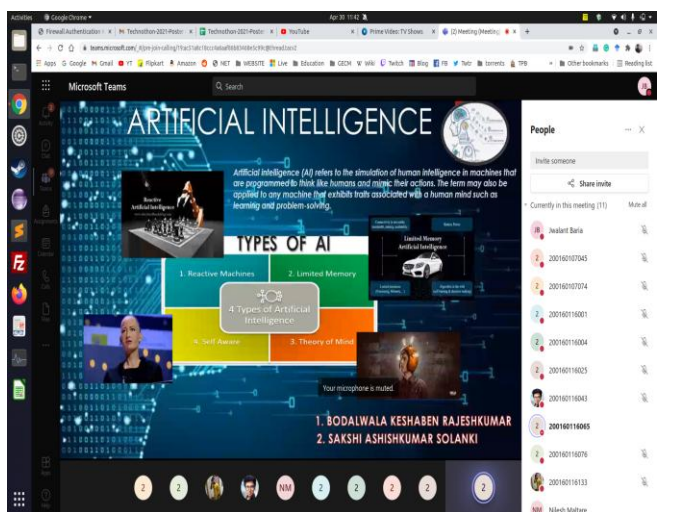

Poster Presentation, Poster Presentation and Technical Quiz were organized. The entire event was conducted online thorough Microsoft Teams platform. Project Presentation was organized for final year students only. The top 10 projects from CE and 10 projects from IT were shortlisted based on the final review held on 21.04.2021. The majority of projects are from areas like the Internet of Things(IoT), Machine Learning, Artificial Intelligence, Game Development, and Cloud computing. These 20 projects were presented in the event.

Student registration was opened on 17.04.2021 through Google forms. Guidelines of all the events were shared along with registration, and registration closed on 24.04.2021. **456 students** registered for the event. **20 Projects**, **49** teams of **Poster Presentation**, and **155** teams of **Technical Quiz** participated in this event.

Online meetings were conducted to plan and execute the events in the presence of convener of the event Prof. M B Chaudhary. An organizing committee was formed for smooth conduction of the event. Event schedule was shared to students on 28.04.2021.

Experts were invited from the renault engineering institutes were invited for evaluation of the Project Presentation. Poster Presentation and Technical Quiz were conducted and evaluated by Faculty coordinators. Technical Quiz was conducted in 3 rounds.

All events were completed successfully at around 4,20pm and Validictory of the event was conducted at 4.30pm through Microsoft Teams. Respected Principal Sir, Prof. (Dr) B J Shah, Convener of the event,Prof. M B Chaudhary ,All faculty members and students joined the valedictory.

Principal sir appreciated the effort of the department and motivated the students for their massive participation.

Prof. M B Chaudhary addressed the students and congratulated all the participants. Students were asked for feedback. Students shared their feedback and encouraged us to arrange such event at least once in the semester.

Result of events was declared by Prof. M B Chaudhary and declared the Digital cash prize for all Winners/Runners-Up of the event. The Winner was awarded by Rs.500, 1st and 2nd Runners-up of the event was awarded by Rs.300 and Rs.200 respectively.

Digital Cash voucher(Amazon) was sent to the respective students by an email. As a part of this event, e-certificate was issued through email to all the participants who have actually participated and to all winners/runners-up of the events.
All faculty members have shown great teamwork to make this event successful. In respect of that e-Certificate had also been issued to all the faculty coordinators of the event.

Prof. M B Chaudhary
