GECM/EED/Rem Classes/2024

Dt:20/09/2024

NOTICE

Subject: Remedial Classes for First Semester (All Branches)

Dear Students,

This is to inform you that remedial classes have been arranged for students who require additional academic support in the following subjects:

Subject: Basics of Electrical Engineering (3110005)

The remedial sessions will be conducted on 07/10/2024 and 08/10/2024 as per the schedule mentioned below:

• Time: 1:20 pm to 3:20 pm

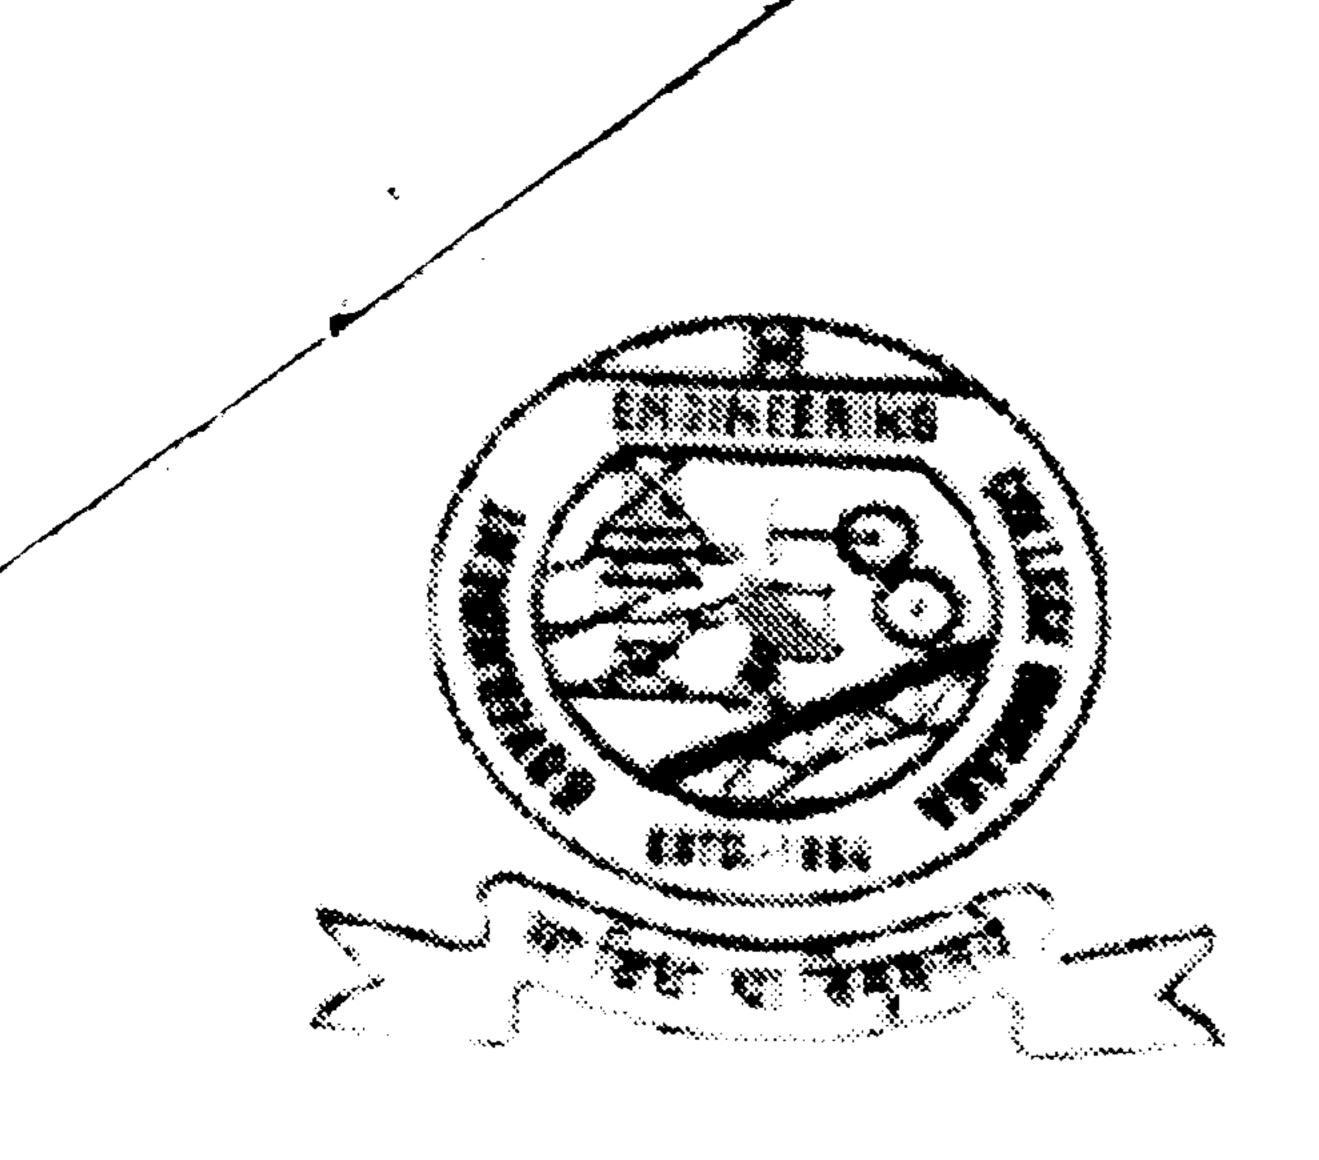

• Venue: [Electrical Department Room no 7202]

Students are strongly encouraged to attend these classes, as they provide an opportunity to clarify doubts and reinforce concepts that are essential for improving their performance in mid semester exam, upcoming university exams and future coursework.

Please find the detailed schedule and faculty details on the notice board of Electrical Department.

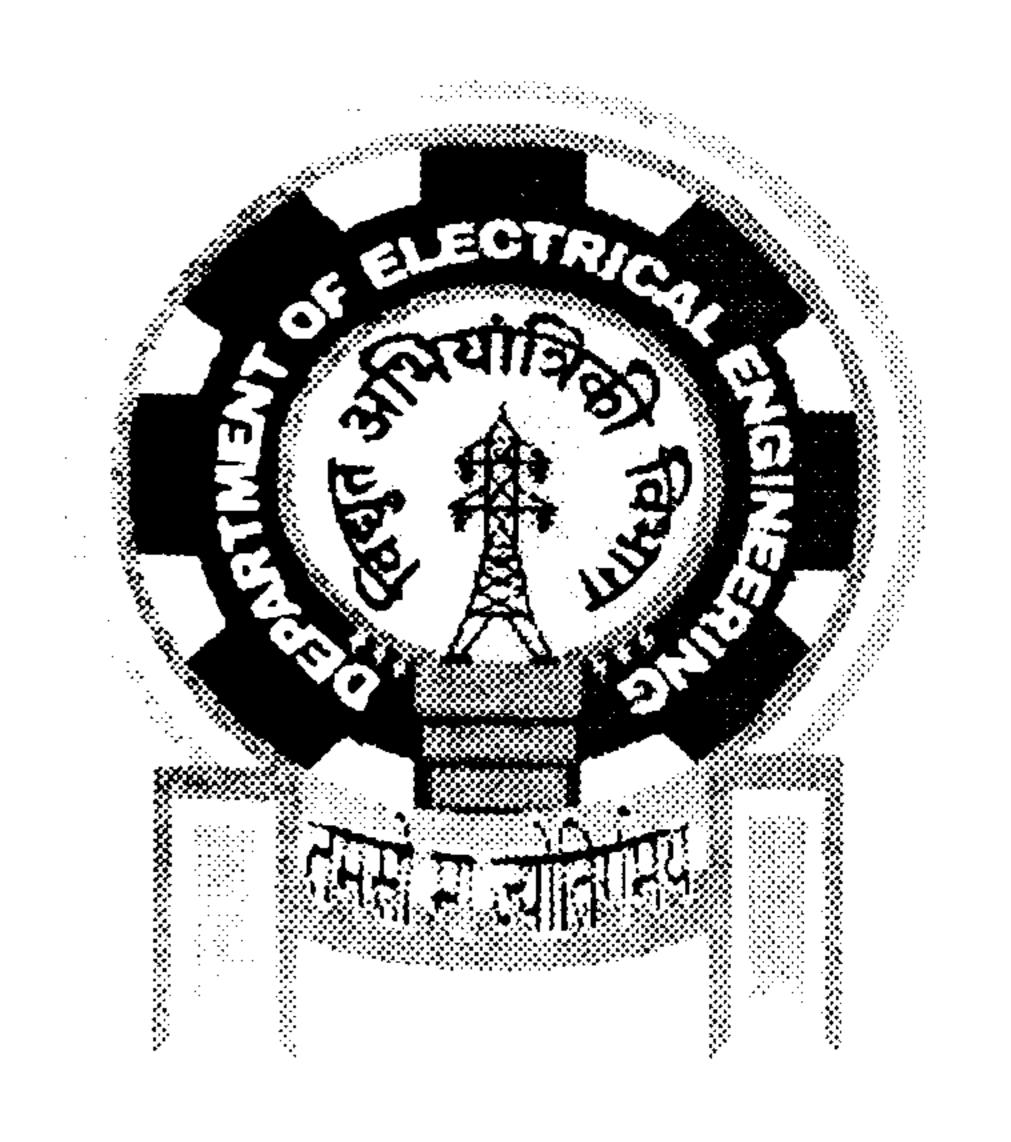

For any queries or further information, kindly contact the course coordinator Prof. S.V. Banker (Asst. Prof., Electrical Deptt.)

Head of Department
