NOTICE

Summer Internship (3170001) of various branches of BE 6th

Sem Students

As per the circular of Gujarat Technological University GTU/ACAD/BE/2021/2674 dated: 20/05/2021, all students of BE semester 6th have to under go 2 weeks Summer Internship (3170001) after completion of 6th Semester and before the commencement of Semester VII.

Looking to prevailing COVID 19 pandemic situations, students may start their summer internship **from 24th May 2021 and must complete it by 16th June 2021**

For completion of summer internship students can opt following five options

Option:1 OFFLINE internship in industry

Before going for offline internship in industry students have to take NOC from respective department. NOC will be issued after submission of following documents by students.

- 1) Undertaking from industry that it will follow all the SOP issued by Government during the internship period.

- 2) written consent of the student and their parents in prescribed format.

Option:2 ONLINE internship in industry/other agencies.

Before going for online internship in industry students have to take NOC from respective department. No need to submit SOP undertaking and consent.

Option:3 Seminar

Seminar by student under mentorship of a faculty. The topic shall be as per UG Syllabus topics.

Option:4 Preparation of consolidated report on survey

survey of materials used in the respective branch of the student. The work should include the study of catalogues, price list specifications, properties, usage notes and other technical details and drawings etc.

Option:5 Mini Project

On some suitable topic related to respective branch. It can be small fabrication / experimental results / simulations / Programmes / application development etc depending on the branch of the student.

NOTE: For further details regarding guidelines and syllabus for Summer Internship(3170001) please refer GTU circular and syllabus link on GTU website
