**Year: 2020-21**

**25<sup>th</sup> Match, 2021**

**ZONE WISE NODE WISE (Z2 - N4)**  
**REPORT**

**SUBMITTED BY**

**Dr. B J Shah**

**Nodal Officer, Aravalli District (Zone 2 - Node 4)**

## INTRODUCTION

Government of Gujarat has planned approximately 30 placement camps across entire state. The placement camp of Aravalli district was scheduled on 25<sup>th</sup> March 2021. Due to COVID situation, the placement activities were conducted in online mode through various platforms such as ZOOM, Google Meet, Microsoft Team, Web Ex etc.

State Government has started the process of campus placement from the year 2018-19, in which all government and grant-in aid institutions of higher education and technical education were participated and students of final years were invited for various jobs.

This year also, State Government has decided to arrange the placement camps in almost all districts. The placement activities were conducted at 30 different nodes in six different zones across of the State.

Aravalli district falls in zone 2 and node 4. Zone wise distribution of other districts is shown in Table - I. The placement camp of all government and grant-in aid institutions of higher education and technical education of Aravalli district was conducted on 25/03/2021 in online mode.

**TABLE - I: Zone wise district distribution**

## PRE-PLACEMENT SUMMARY

12 institutes have participated in the placement camp in Aravalli district. Faculty members have visited various companies and agencies like DIC, Employment department, HR companies, Consultancies. Good number of vacancies have been generated after rigorous efforts of faculty members.

Principals and TPOs of all participating institutes have shown keen interest to increase the placement ratio of Aravalli state. Frequent meetings and follow ups have been done to boost the vacancy collection and planning.

Due to pandemic situation, most of the meetings were planned online on MS Team platform. Offline meetings of all principals and TPOs was arranged at node GEC, Modasa on 15/03/2021 for micro planning and smooth conduct of the event. Similarly, offline meeting of all the staff members of host institute was arranged on 18/03/2021 to explain the role of each and every faculty member in successful conduct of the event. Few of the snapshots of both the offline meetings are shown here.

Meeting of Principals and TPOs of All 12 participating institutes (15/03/2021)

Meeting of all the staffs of Government Engineering College, Modasa (18/03/2021)

TPOs of all institutes have visited various industries, identified the vacancies and registered them on the placement portal designed by KCG. After rigorous efforts of TPOs and core team, good amount of industries and vacancies have been identified and

registered. TPOs have been very keen to solve the queries raised by industries and students over the time. All the consents raised either by industries or students have been resolved earliest by TPOs of respective institutes

Preplacement industry and vacancy summary is depicted in Table – II.

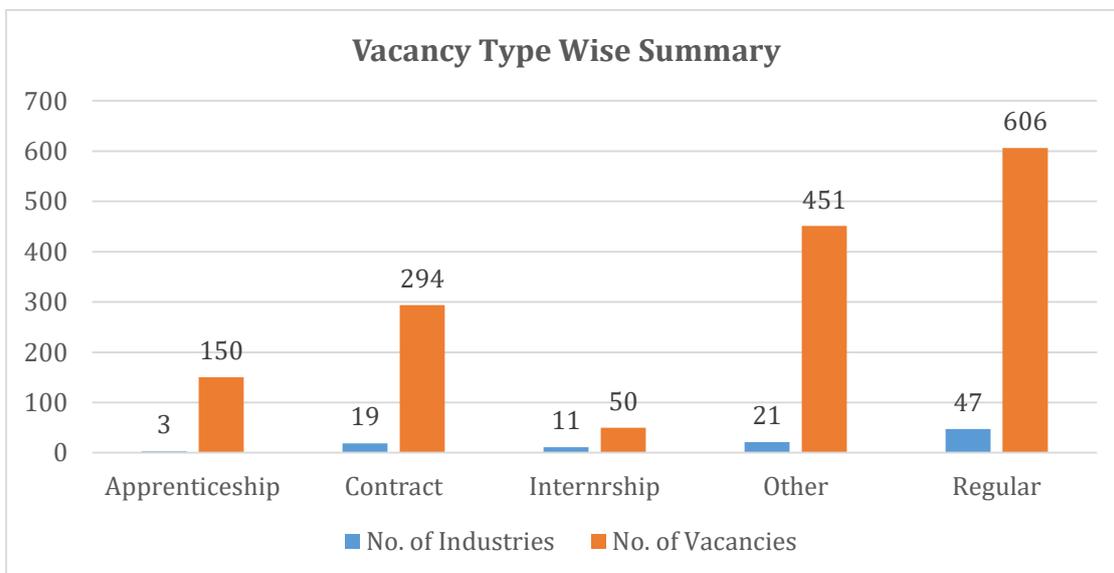

Figure 2: Vacancy type wise statistics

### Qualification wise Statistics

Industries from different sectors have participated in the placement camp and have requirements of students from different streams. Stream wise analysis of vacancies is shown in figure 3.

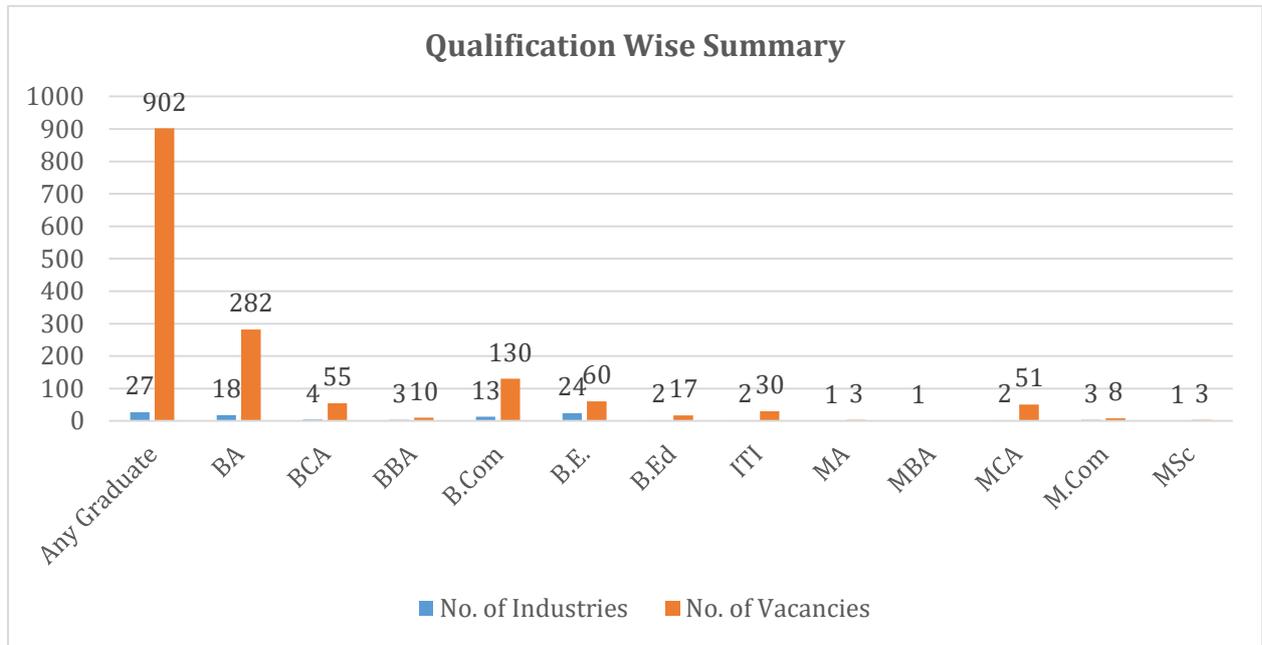

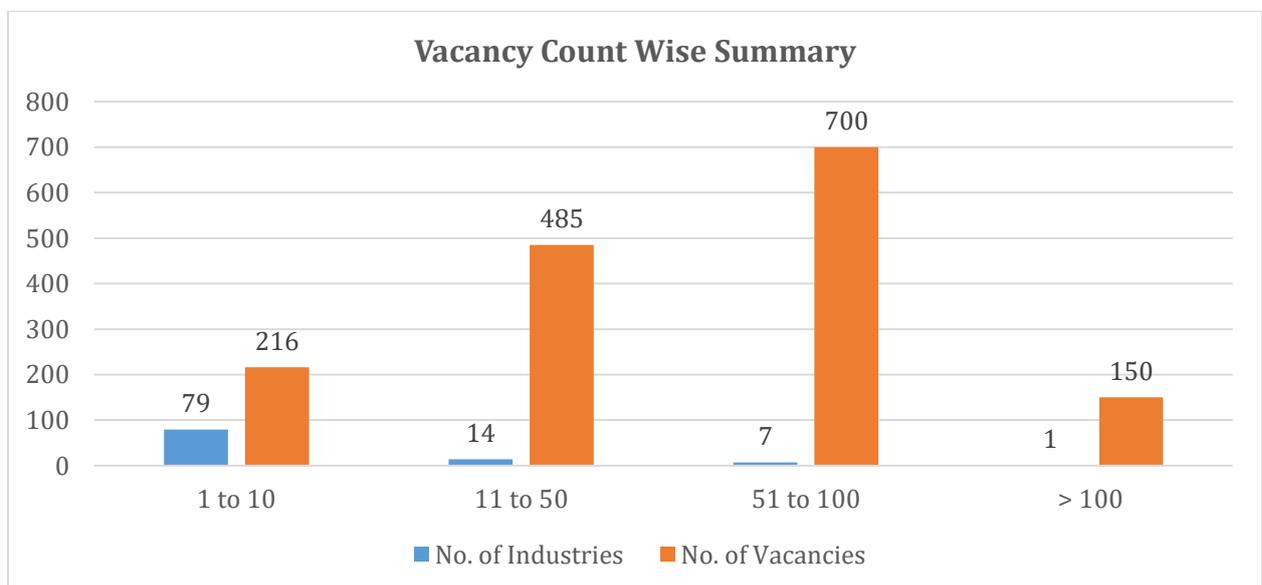

Figure 3: Qualification wise statistics

### Vacancy Count Wise Statistics

22 industries have registered whose requirement was greater than 10. There were 7 industries having vacancies between 51 to 100. Ziphire company was the biggest stack holder of the fair with 150 vacancies.

## POST PLACEMENT SUMMARY

### Institute Wise Industry Statistics

We have registered 77 industries during registration phase and out of 66 industries have given their consent to be part of placement fair. But few industries have urgent requirements and could not wait for the placement fair, they have hired employees. Some industries could not become the part of placement fair due to their key persons have been affect by COVID-19. And some industries have preferred offline mode for aptitude test, programing test, group discussion and face to face interviews.

Hence, finally 31 industries have turned up and participated in the placement camp. The institute wise industry count is shown in the Table III.

**TABLE – III: Institute wise present industry summary**

Sr.	Institute Name	AISHE Code	No. of industries present on behalf of institute
1.	Government Engineering College, Modasa	C-108	10
2.	Government Arts College, Bayad	C-45121	2

### Industry Feedback

Feedbacks are very essential for any system. It gives real picture of the system in others perception. Critical inputs of the industry would definitely help us to improve next time. So as per the directives of GoG, we have collected and uploaded feedbacks of each present industry on the portal.

Feedback from various perspectives from industries is shown in Table - VI:

**TABLE – VI: Feedback from industries from various aspects**

	
<p>Support From Institute</p>	<p>Technical Knowledge of Students</p>
	
<p>General Ability of Students</p>	<p>Overall Rating of Entire Event</p>

### Salary Wise Analysis

The maximum, minimum and average salary offered by the industries are shown in following Table - VII. The salary is in lacs per annum (LPA) in INR.

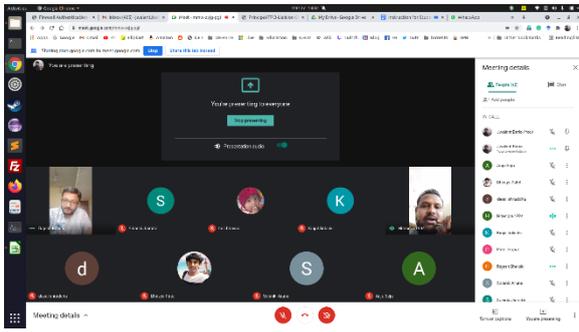

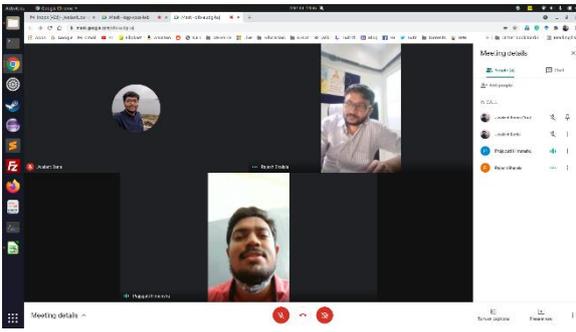

**TABLE – VII: Salary Analysis**

Minimum Salary	Maximum Salary	Average Salary
0.84 LPA	2.16 LPA	1.31 LPA

Screen shots of Interview Process

Screenshots of the interview process of few of the companies are shown in Table - VIII.

**TABLE – VIII: Feedback from industries from various aspects**
